Rated Frequency

- 50 - 60 Hz

Rated Current

- 0.4A (max 0.6A)

Power Consumption

- Approx. 10W (Standalone copying, ISO10561 letter pattern / 100-120V and 220-240V Version)

Warranty

- Standard one-year limited warranty in the U.S.

Notes

- [1]Black pages per minute based on text memo in Economy Mode on plain paper. Color pages per minute based on color memo in Draft Mode on plain paper. Additional processing time will vary based on system configuration, software application and page complexity.

- [2]Light-resistance rating based on accelerated testing of prints on Epson special media, displayed indoors, under glass. Actual print stability will vary according to image, display conditions, light intensity, paper, humidity and atmospheric conditions. Ratings based on ink only; some papers may discolor over time. Epson does not guarantee the longevity of prints. For maximum print life, display all prints under glass or lamination or properly store them.
